A Registered Charity

Outdoor Play

Children are free to use the outdoor play area at the back of the centre every morning and afternoon (weather permitting) after a risk assessment has taken place.

The hole created by the bonfire has now been cleared and re-seeded by the scouts. We are hoping to be able to allow the children to play football in this area again soon.

Can you help?

If any parents have any old pans, kitchen utensils, bowls etc. we would be most grateful for any donations to our outdoor kitchen.

Termly Activities

The summer term will be filled with craft activities, den making, enjoying the outdoors along with activities specifically to celebrate; St Georges Day, Father's Day and more!

Questionnaires

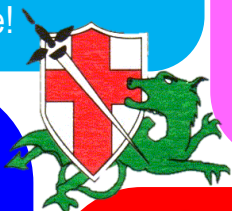

Thank you to everyone who took the time to complete last terms online questionnaires. Cool Kidz will be reviewing all of your comments and take on board any suggestions to improve Cool Kidz. We have now also put a suggestion box in the entrance hall. If you have any ideas or suggestions regarding snacks, games etc. please write a note and put it in the box. The suggestion box will be checked after every session to continue to improve our setting. New ideas are always welcome!

Holiday Club

Holiday Club will not be running during Easter due to maintenance in the Community Centre Hall. The centre will be re-painted and fitted with new blinds, carpets and a beautiful big window thanks to the funding they received.

All the children have created all the art work that is going to be displayed in the centre. Including canvases and framed pictures, which will be displayed in the hallway and the back meeting room.

Important Reminder

You **MUST** give us at least 2 weeks notice when cancelling your child's place. All outstanding invoices must also be paid in full prior to your child's end date.

Please also remember all places are subject to availability.

Fee Increase

Fees increase with effect from 23rd April 2019. New changes to pay structures as directed by the government and increases in the cost of utilities etc., have meant that we have had to review our fee structure.
